| <input type="checkbox"/> | Confirmation that you have permission from DOC as the land manager - an email, or copy of the approval letter or maintenance agreement from DOC is sufficient. |
| <input type="checkbox"/> | If your project involves a hut, have you included a copy of the DOC inspection report?   |
| <input type="checkbox"/> | At least one quotation for the materials or services.  |
| <input type="checkbox"/> | Photos, maps or concept plans, if available?   |

- |   |
|---|
| <p>a. The applicant group has read and understood the guidelines;</p> <p>b. The project is believed to be consistent with the eligibility requirements;</p> <p>c. All information provided is up to date, true and correct;</p> <p>d. The evaluation of applications has a subjective element and that the Backcountry Trust is the final decision-making authority;</p> <p>e. Information about the application (incl. applicant name, project title, and a summary of the proposal) and any approved funding may be made publicly available by the Backcountry Trust;</p> <p>f. If a project proposal is approved, any grant of money is subject to a contract being entered into between the applicant and the Backcountry Trust, including the requirement to acknowledge the Backcountry Trust as a source of funding in signage, publicity and publications;</p> <p>g. It is a requirement that the applicant group report back on the success of the approved project;</p> <p>h. Before any work can commence, the applicant group will need to a) have a written agreement with DOC that the work can be undertaken; b) undertake work to appropriate NZ or DOC standards; and c) ensure that health and safety is a priority, and work with the department to develop a Health &amp; Safety plan that complies with the department's SOP for volunteers, taking all practical steps to meet health and safety requirements;</p> <p>i. The signatory has the authority to commit the applicant to this application.</p> |
|---|

**Duly authorized agent. The signatory has the authority to commit the applicant to this application.**
